

You don't have a clue  
Looking for [?]

Sitting at the microphone  
Another strong

Maybe I found my strength  
Break you to take you in  
Bury me in this fight time and time again  
I don't know what it is  
But I like how it feels

I long for you just to take me off  
Oh I don't know what it is  
But I like how it feels  
(Girl, stroke)

Let em get high  
Pull up and slide  
Pulling on skirt  
I would never lie (again)  
On a different type of time  
They don't know what it is  
But they like how it feels

Bust out on a porno  
Smoking whiff about a ?bolo?  
Tell me something that I don't know  
I don't know what it is  
I don't got it under control  
Damn I'm always using that stove  
Fighting scooters in a backwards  
Makes me feel so real  
Everytime I get a feel  
All the funs that I spent  
How the fuck can I win  
I don't know what it is

I don't know, I don't know, I don't know
