

# Missing Your Call

B. Smyth

I wanna be a better man  
I hope that you can understand  
And now I need another chance  
Cause his wasn't apart of the plan  
I can't understand why you curved me  
But then again I deserve it  
If we do this again  
I promise it'll be worth it

Turn off all them lights  
While you burning bright baby  
Blurred with all them lines  
You can't be defined baby  
Beautiful design  
You ain't even trying baby  
Nobody's perfect  
But I know your worth it

Where you wanna go  
I just gotta know baby  
(Baby)  
Can't leave you alone  
Oh no no no no baby  
(Baby)  
It was all mine  
At the wrong time  
Now I'm outside looking in (looking in)

(Even though my incomes better  
And my pockets getting fatter  
All this shit don't matter if you ain't here)  
Nothings the same no  
Some things don't change cause

I still wait for your  
(Call call call call)  
Wondering when you gon  
(Call call call call)  
Girl I'm missing your calls  
Dam I'm missing your calls  
(Baby I'm still missing)  
I still wait for your  
(Call call call call)  
Wondering why you won't  
(Call call call call)  
Girl I'm missing your calls  
Dam I'm missing your calls

One step at a time  
I can't even lie baby  
You was stepping up  
I was too behind baby  
You was taking off  
I was scared to life baby  
But if anybodies worth it  
I know your worth it

I'm still holding on  
I'm still holding on baby  
(Baby)  
Just pick up your phone  
Just pick up your phone baby  
(Baby)  
It was all mine  
At the wrong time  
Now I'm outside looking in (looking in)

(Even though my incomes better  
And my pockets getting fatter  
All this shit don't matter if you ain't here)  
Nothings the same no  
Some things don't change cause

I still wait for your  
(Call call call call)  
Wondering when you gon  
(Call call call call)  
Girl I'm missing your calls  
Dam I'm missing your calls  
(Baby I'm still missing)  
I still wait for your  
(Call call call call)  
Wondering why you won't  
(Call call call call)  
Girl I'm missing your calls  
Dam I'm missing your calls

Did you wrong  
I'ma do you right  
Called you 'bout  
A hundred times tonight  
Baby girl I want you to pick up  
I ain't even tryna fuss or fight  
You so fly  
I might just catch a flight  
Ring side  
Just to watch a fight  
Take you shopping  
I won't watch the price  
New Celine bags  
Black and white  
I'm still holding on  
Waiting on your call  
Told you I was wrong  
You was right all along yeah  
And I been on the road  
Pockets going up  
Like the dial jones  
Waiting by the phone  
I 'not hear nothing but the dial tone

I still wait for your  
(Call call call call)  
Wondering when you gon  
(Call call call call)  
Girl I'm missing your calls  
Dam I'm missing your calls  
(Baby I'm still missing)  
I still wait for your  
(Call call call call)

Wondering why you won't  
(Call call call call)  
Girl I'm missing your calls  
Dam I'm missing your calls

I wanna be a better man  
I hope that you can understand  
And now I need another chance  
Cause his wasn't apart of the plan  
I can't understand why you curved me  
But then again I deserve it  
If we do this again  
I promise it'll be worth it
