Simon Says

B. Smyth

Tonight is the night girl
I want us to meet up
Come and hold my hand girl
Right here's where I need you
Approach the bed
I'mma get it wet
Let's play a game called simons says

Simon says, spread open your legs
And put your hands behind your head
Simon says, take a deep breath
Cause tonight we're gonna make a mess, baby

I wanna take you to the bed
So call me when its drippin wet babe
I wanna relieve all your stress
So call me when its drippin wet babe

Can you make it
Drip drip drip drip drip drip babe
Drip drip babe
Can you make it
Drip drip drip drip drip drip babe
Drip drip babe

Tonight is the night girl
I want us to meet up
Come and hold my hand girl
Right here's where I need you
Approach the bed
I'mma get it wet
Let's play a game called simons says

Simon says, spread open your legs
And put your hands behind your head
Simon says, take a deep breath
Cause tonight we're gonna make a mess, baby

Put your hands behind your head
I'mma make you spread your legs
