

## Leaves

B\*Witched

In winter, I fall at your feet  
In summer, I blow where we meet  
And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground

It's time for seasons to go  
A reason, a reason to know  
And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground

In winter, I fall at your feet  
In summer, I blow where we meet  
And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground

And you, oh you  
You hold me up  
Till like a leaf we fall  
Onto the ground  
Onto the ground  
Onto the ground  
Till like a leaf we fall  
Onto the ground
