

Waiting All This Time

B*Witched

You've got my tail in a spin
Got my mind running wild, I'm open
Why can I see past my feelings for you
You've got my heart giving in

I just don't know what to do
Find myself falling in love with you
Give me a sign I'll bare my soul
I've been waiting all this time for you

Got myself stuck in a rut
Right now i feel like I've been punched in the gut
Why can't you see whats right there in side you
Got yourself still stuck in a rut

I just don't know what to do
Got myself falling in love with you
Give me a sign I'll bare my soul
I've been waiting all this time for you
I just don't know what to do
Got myself falling in love with you
Give me a sign I'll bare my soul
I've been waiting all this time for you

Let us shine - Won't you be mine
Let love soar - whatcha waiting for?

I just don't know, I just don't know
Let love shine, gotta let love shine [2x]

I just don't know what to do
Got myself falling in love with you (Gotta let love shine)
give me a sign ill bare my soul
I've been waiting all this time
I just don't know what to do (Let it shine)
Got myself falling in love with you
give me a sign ill bare my soul
I've been waiting all this time
