

We've Forgotten How

B*Witched

Like when you said you knew me,
You went and through me away, (Ah, ah, ah)
Like in a silent movie I went to scream but its too late (ah, ah, ah)
I don't know bout you, but I know bout me
And I'm breaking, yeah I'm breaking, I'm breaking

I don't wanna give up now
I don't wanna give up now
I don't wanna think about how we used to dream but we've forgotten how

And if you look right through me
You'd see the tears under my skin (ah, ah, ah)
And if you'd only listen to me if you'd only heard me then (ah, ah, ah)
I don't know about you, but I know bout me
And I'm empty, oh I'm empty, I'm empty

I don't wanna give up now
I don't wanna give up now
I don't wanna think about how we used to dream but we've forgotten how

Get up now, yeah I'm gonna, get up now
Coz I've gotta, wake up now
When I open my eyes your not around

There's only one pair of shoes at my door
And I cant fight this fight alone anymore
I look beneath my feet and everything is gone
I've got to move on, I need to move on

But I don't wanna, give up now, give up now
But I've gotta, wake up now

I don't wanna, give up now
I don't wanna give up now
I don't wanna think about how we used to dream but we've forgotten how

Get up now,
Yeah I'm gonna get up now
Wake up now,
We used to dream but we've forgotten how
