Just like your back, give me ups and downs and I don't know whe
n this gon' end

But you have fi turn up at the after party, yeah

You whine up on me, yeah, and then you disappear

Baby, where you go? Hmm

Gyal, I swear you're on a paigon ting 'cause you keep on messin'
' my brain

Just like your back, give me ups and downs and I don't know whe
n this gon' end

But you have fi turn up at the after party, yeah

You whine up on me, yeah, and then you disappear

Baby, where you go? Hmm

Hmm, give me attention, attention, attention, I want you

Yeah, give me attention, attention, attention, I want you

Hmm, give me attention, attention, attention, I want you

Yeah, give me attention, attention, attention, I want you

Somethin' like, daylight robbery, put it on me

I feel your skin on mine, woah

Money callin', but what's important, gyal, you distort my mind,
woah

'Cause all I'm wantin' is you, in my point of view

You've got a likkle somethin' I could hold onto

Have me singin', come into my room, mm-mm-mm

'Cause all I'm wantin' is you, in my point of view

I don't wanna change this tune

Have me singin', gyal, you turn me on

Hmm, give me attention, attention, attention, I want you

Yeah, give me attention, attention, attention, I want you

Hmm, give me attention, attention, attention, I want you

Yeah, give me attention, attention, attention, I want you

Gyal, I swear you're on a paigon ting 'cause you keep on messin'
' my brain

Just like your back, give me ups and downs and I don't know whe
n this gon' end

But you have fi turn up at the after party, yeah

You whine up on me, yeah, and then you disappear

Baby, where you go? Hmm

For the longest, we were jammin' in the party

And you were whinin' on me, pushin' everything

Right back on top of me, yeah

And if you think you're gonna get away from me

You better change your mind, 'cause you're goin' home
You're goin' home with me, tonight
