

# Been Wavey

B Young

Tryna catch a wave, man I've been wavey  
She make it pop while I sip JD  
Fine wine but her skin Baileys  
I tell her, "rub up on the ting baby"  
Woi-yo-yo-yo-yoi, rub up on the ting baby  
Oi-yo-yo-yo-yoi

Man I been wavey, wavey  
I swear, all we do is win lately  
Yeah we pull up in the Mercedes  
All white like I'm Slim Shady, oh yoi yoi  
Gyal you know it's all your choice  
You can go off with that wasteman deya, deya  
Or cuff up with your boy

Gyal I know it sounds crazy  
But tonight you my lady, yeah  
These other gyal don't phase me  
Come like Beyoncé Jay-Z, you know (yeah, yeah, yeah)  
Girl, don't you know you that I live for this?  
The way you sing, sing along to my symphonies  
I can tell that you're into me  
Pour the ting cah you know we gotta drink to this

Tryna catch a wave, man I've been wavey  
She make it pop while I sip JD  
Fine wine but her skin Baileys  
I tell her, "rub up on the ting baby"  
Woi-yo-yo-yo-yoi, rub up on the ting baby  
Oi-yo-yo-yo-yoi

Man I been wavey, wavey  
I swear, all we do is win lately  
And we grind till this ting pays me  
If your gyal want me fam then don't blame me, man don't blame me  
Ha, oh yoi yoi, gyal you know it's all your choice  
You can go off with that wasteman deya, that wasteman deya

But think wisely nuh  
You wanna do this ting right you know  
Might have bitches on the side for now girl  
But I swear you just my type you know, woah  
Cah dem gyal there try impress me  
But you the one, you the one that I find sexy  
Got me grippin' on your waist while you press me  
You know behind closed doors this will really get messy

Tryna catch a wave, man I've been wavey  
She make it pop while I sip JD  
Fine wine but her skin Baileys  
I tell her, "rub up on the ting baby"  
Woi-yo-yo-yo-yoi, rub up on the ting baby  
Oi-yo-yo-yo-yoi, man I been wavey

Tryna catch a wave, man I've been wavey  
She make it pop while I sip JD  
Fine wine but her skin Baileys

I tell her, "rub up on the ting baby"  
Woi-yo-yo-yo-yoi, rub up on the ting baby  
Oi-yo-yo-yo-yoi, man I been wavey
