

MISSED CALLS

B Young

Seen your missed calls on my phone say you struggling to reach
Say you miss me you alone you need some fucking in the sheets
You know I'm from the city where the money never sleeps
Then I got to get mine
Girl I got to get mine
But I'll see you in the morning baby
You say you hate how you been feeling lately
'Cause you been dropping all your guard
And you've been loving so hard
Sometimes you can't help acting crazy

I'm 'a see you on the weekend
Girl I'll see you on the weekend
Put them legs up to the ceiling
I'll remind you about them feelings

Girl I'll see you on the weekend
I'm 'a see you on the weekend
Put them legs up to the ceiling
Girl I'll remind you about them feelings

You say you hate me when I'm distant
And I'm different when I'm gone
You'll be stressing when I'm missing
But don't worry girl I'll be home
I want that face down with you bent up
Girl I'm fiening for that view
You know that either way that we end up
Girl I'm coming right back to you

I know we got ups and we got downs
And it won't always go our way
Then we gon' fuck and we gon' drown
Girl this good love gonna numb your pain
But I'm never gonna change
So tell me am I really worth the wait
'Cause when I'm not around I know I'm driving you insane

Seen your missed calls on my phone say you struggling to reach
Say you miss me you alone you need some fucking in the sheets
You know I'm from the city where the money never sleeps
Then I got to get mine
Girl I got to get mine
But I'll see you in the morning baby
You say you hate how you been feeling lately
'Cause you been dropping all your guard
And you've been loving so hard
Sometimes you can't help acting crazy

I'm 'a see you on the weekend
Girl I'll see you on the weekend
Put them legs up to the ceiling
I'll remind you about them feelings

Girl I'll see you on the weekend
I'm 'a see you on the weekend
Put them legs up to the ceiling

Girl I'll remind you about them feelings
