

Wet

B Young

Wet wet wet wet I just wanna dive in
I just wanna dive in
I'm just tryna climb in
Wet wet wet wet you see that I'm shining
Rollie with the diamonds
You can't check the timing
Yeah

Chain on my neck come looking like a chromosome
Line ringing that's the voda-fone (brr)
Bad B yeah she hold her own
Only love her when we all alone
You can call me when you change your mind
I just wanna fuck for time
Ohh
Let me get behind... you
Love it when I see you get

Wet wet wet wet I just wanna dive in
I just wanna dive in
I'm just tryna climb in
Wet wet wet wet you see that I'm shining
Rollie with the diamonds
You can't check the timing

Skirting round the hood upon that one way
Baby you know we can do this two ways
You can bring a friend upon that three way
Back seat whippin you can foreplay
