Call me
Day or night, it doesn't matter, you
Whenever things are hard
Or things don't work out, you
Don't worry too much, you girl
Alright, alright, alright
Call me
Day or night, it doesn't matter, you
I'll listen to everything
Now stop crying
Don't worry too much, you girl
Alright, alright, alright

Hey you, stop, listen to me
Don't be hurt
Hey you, stop, listen to me
You can just come into my arms and cry

Call me
Day or night, it doesn't matter, you
Whenever things are hard or things don't work out, you
Don't worry too much, you

Call me, call me
Call me, call me

Call me call me
You can always call me girl
I know I'm the only one who accepts you
Today was tiring and hard
So you thought of me
I know, you don't need to say any more
I know you think the same way, I know
I'll go to where you are, I go
I'll hug you from behind while we're still on the phone

Call me
Day or night, it doesn't matter, you
Whenever things are hard or things don't work out, you
Don't worry too much, you

You don't care what I say
Can you just listen to me once?
I feel like I will die
Can you just listen to me once?

Call me
Day or night, it doesn't matter, you
Whenever things are hard or things don't work out, you
Don't worry too much, you

Call me, call me
Call me, call me
