I've got a dream baby you're wonderful
I'll be there I'll be there yeah
If you are not lost anymore
I'll be there I'll be there someday
White shoes, grey hair
From that day I saw you for the first time
White shoes, grey hair
I fell in love with your cool eyes immediately

Baby I love you more than anyone else, lady
I promise you, baby trust me

1000 times or 10000 times
I only want to tell you
I love you so forever and ever
Follow me follow me follow me girl

Any beautiful gemstone
Cannot be as shiny as you
You're my only one
So follow me follow me girl

White shoes, grey hair
Every time I meet your eyes I fall in love

Only you baby, I want to tell you lady
It's true, baby trust me

1000 times or 10000 times
I only want to tell you
I love you so forever and ever
Follow me follow me follow me girl

Any beautiful gemstone
Cannot be as shiny as you
You're my only one
So follow me follow me girl

No clock, no sound, no light
Stop the moment, I can't wait no more

Oh god, you are dazdling baby

The color is hidden in a gray whirlpool
Find it out, now follow me and dive into it
Is it you? you are not there
I found you

1000 times or 10000 times
I only want to tell you
I love you so forever and ever
Follow me follow me follow me girl

Even if I'm against the world
I'll keep protecting you
Wherever you are you won't be alone
Follow me follow me follow me girl

Any beautiful gemstone
Cannot be as shiny as you
You're my only one
So follow me follow me girl

The color of you mix with mine and become the same
Goes inside each other's body and make the sea
I've got the blue you green up all night the scene
Draw with me when the night comes
Our color is painted on a white paper
Feeling it good feeling it good
If you have the same feeling with me, I like it
Follow me now follow me now
