You're my sunshine my only sunshine
You are my sunshine, I love you forever
You are coming under the dazzling sunlight
One step, two steps, you take toward me
No matter how far away you are
You always come right into my eye
Without knowing, my heart starts to race because of you

Meeting you was
Heaven's beautiful gift to me
I love you (I love you) I love you
My precious love

You're my sunshine my only sunshine
You are my sunshine, I love you forever

Shine on my warmly and softly
Fill my life with a bright light
Without you, I'm a lost man
A rapper who can't get the beat
Without you, I'd give up eating
Or drinking and become a total loser
Anyway, I go crazy because of you

Meeting you was
Heaven's beautiful gift to me
I love you (I love you) I love you
My precious love

You're my sunshine my only sunshine

You are my sunshine, I love you forever

You're my pretty girl you're my pretty girl
You're my pretty girl oh pretty girl, I love you
