

# Baby Girl

B2K

There are times when I look in your eyes  
I see the love that we share  
I see the joy inside  
But I didn't see the feelings you hide  
And now you're saying goodbye  
Cause your love has died

And all I can think about is you  
The way you say you love me too  
And everytime I close my eyes I see your face  
My love can never be erased and you can never be replaced

Baby  
Baby Girl, why don't you come back to me  
Why don't you love me anymore  
Baby Girl, you know I still care for you  
You know I will love you forever more

There are times when I kiss you goodnight  
I feel the love that we share  
I feel the joy inside  
But I didn't feel what you tried to hide  
And now you're saying goodbye,  
Cause your feeling has died

And all I can think about is you  
The way you say you love me too  
And everytime I close my eyes I see your face  
My love can never be erased and you can never be replaced

Baby  
Baby Girl, why don't you come back to me  
Why don't you love me anymore  
Baby Girl, you know I still care for you  
You know I will love you forever more

Baby Girl, why don't you come back to me  
Why don't you love me anymore  
Baby Girl, you know I still care for you  
You know I will love you forever more

And all I can think about is you(all I can think about is you)  
The way you say you love me too  
And everytime I close my eyes I see your face(everytime I close my eyes)  
My love can never be erased and you can never be replaced

Baby  
Baby Girl, why don't you come back to me(come back to me)  
Why don't you love me anymore  
Baby Girl, you know I still care for you  
You know I will love you forever more

Baby Girl, why don't you come back to me  
Why don't you love me anymore(why don't you love me)  
Baby Girl, you know I still care for you  
You know I will love you forever more
