Ohhh Listen baby See theres this girl that i know And shes more (more than average shes a perfect ten) Dont really know how to handle someone who (wants to put her on, make her nu mber one) Shes so used to that mentallity, got to hustle hard, riding in the streets Thats so crazy Somebodys baby Going through these things But I've got love for you and i wanna show you girl Your friends dont like me For real though (baby girl) They say i'm no good for you (ohh) They're jealous cuz you finally found a good lover Who only wants the best for you I'm tryin to take you out the hood Show you something good Make sure you're ok Everything is straight (everything is straight) You're a superstar You deserve it all More than just a ghetto queen (more than just a ghetto queen) Wanna put you in some diamonds Take you to the islands Show you everything You aint never seen Just let me take you out the hood babe Let me take you out the hood baby (yeah yeah) Girl let me change your world for you babe Take you out the hood Tell me have you ever seen (white sand on a private beach) Tell me did you wanna go somewhere (Somewhere you've seen on tv) Well girl i've got the means to take you anywhere So dont let your friends cause you to be afraid They're just lonely And you're the only Only thing that matters to me Even my homies, they gang on me Cuz they think they could do it for me Your friends dont like me (your friends dont like me for real) For real though They say i'm no good for you (ohh) They're jealous cuz you finally found a good lover (they are) Someone that wants the best for you (ohh) I'm tryin to take you out the hood Show you something good (baby) Make sure you're ok Everything is straight (oh baby) You're a superstar You deserve it all (You're a super star to me)

More than just a ghetto queen (Baby i wanna take you out the hood)

Wanna put you in some diamonds Take you to the islands (Thats where you belong, yeah yeah) Show you everything You aint never seen (ohh) Just let me take you out the hood babe (Oh, let me do it for you, yeahh) Girl let me change your world for you babe (For you ohh) Take you out the hood Where I'm going You'll be coming (I wanna fly with you go somewhere with you) Aint no limit If you want it Baby all you got to do is ask me (Got to do is ask me ohh) If you call me, Girl I'm coming Girl you shine brighter than the moon and the stars So let me show you something better babe I'm tryin to take you out the hood Show you something good (yeah) Make sure you're ok Everything is straight (yeahh) You're a superstar You deserve it all More than just a ghetto queen (your) Wanna put you in some diamonds Take you to the islands Show you everything You aint never seen (never never) Just let me take you out the hood babe (hood baby) (Take you out the hood babe) Girl let me change your world for you babe (Oh I) Take you out the hood Baby..Take you..Out the hood girl(hood girl) Baby..Take you..Out the hood girl (hood girl)

Baby..Take you..Out the hood girl(hood girl) Baby..Take you..Out the hood girl(hood girl)
