

# The One

B2K

I'm the one you done heard all the rumors about  
You vibrate like my Cellie how you movin' around  
In that new gear fresh off the Lesiango runway  
Let's go to St. Barts Sunday to Sunday

Your nails done and them braids all twisted  
If you got a flaw, I guess I just missed it  
I'm not easy to reach, my digits unlisted  
Come closer but don't stain with your lipstick

Been around the world, seen so many girls  
But none have moved me quite the way she does  
And I've done some things with some ghetto queens  
It was just for fun but now I think I'm in love

I can't stop thinking 'bout her, she's everywhere that I go  
Does she know I just can't live without her  
Whoa, she, she's taking over me  
I can't control how she turns me on so much  
Without a single touch

Shorty, you're the one  
You're the only girl I need  
Only one I want  
Only girl that's meant for me  
Got me open  
Baby girl, let me know  
If you wanna go

You're a winner so you gotta be choosy  
'Cause you can't love everybody  
I live my life like a movie  
Act like you know somebody

Gonna give you what you need, babe  
Already told you you're the star of the TV  
There's nothing else you need to know  
So come on get on board

You're the one I'm diggin' and I guess I'm hoping that  
You're catching the same feelings  
Let me know 'cause you're my favorite girl  
In the whole wide world  
Yeah you're so fine, I gotta make you mine

Shorty, you're the one  
You're the only girl I need  
Only one I want  
Only girl that's meant for me  
Got me open  
Baby girl, let me know  
If you wanna go

Let me say it again  
You're the one I'm diggin' and I guess I'm hoping that  
You're catching the same feelings  
Let me know 'cause you're my favorite girl

In the whole wide world  
Yeah, you're so fine, I gotta make you mine

Like rocky road my chain be all chunky  
High School thought that I failed since they flunked me  
Now I'm in XXL its so funny  
High Schools double my sales, I'm gettin' money  
(Get your money, money, money)  
Like my bunny's pretty with pierced tummy's

Call me Pooh Bear, how I'm baggin' all the honeys  
They sick to the point that they noses gettin' runny  
Y'all freeze on the Ave.  
I recline where it's sunny

Can't stop thinking 'bout her, she's everywhere that I go  
Does she know I just can't live without her  
Whoa, she, she's taking over me  
I can't control how she turns me on so much  
Without a single touch  
Bring that part back man

You're the one I'm diggin' and I guess I'm hoping that  
You're catching the same feelings  
Let me know 'cause you're my favorite girl  
In the whole wide world  
Yeah, you're so fine, I gotta make you mine

Da da da da da
