

Would You Be Here

B2K

Girl if I didn't have a plan
Could I be your man still
And if you couldn't watch cable
Would you be able to understand
And if I couldn't buy you diamond rings
Take you out and things
Or do nothing special
Would you deal
Would stick around and chill
Would you keep it real
Tell me

Would you be here if I had nothin
Would you be here if I was strugglin
If I had nothin
Would you be here at any cost
Would you be here if I didn't have a boss
At any cost
Would you be here to pay the rent
Would you be here no benefits
Girl if that was it
Would you be here if I gave up
Straight outta luck
Would you give a what

Girl if all hope was gone
We didn't have a phone
Would you stay at home with me
How long would you stay by my side
If I applied
And wasn't qualified, babe
What if I was finish
And you should do nuthin else with it
Would you forget it
Girl do you swear to tell the whole truth
Nothing but the truth
I'm listen baby

Would you be here if I had nothin
Would you be here if I was strugglin (if I was stugglin)
If I had nothin (if I had nothin)
Would you be here at any cost
Would you be here if I didn't have a boss
At any cost
Would you be here to pay the rent

[Hook 2:]
What if I was ugly
And struggling
And crummy
Would ya love me
If I was grungy
A little dingy

Would ya still love me
If I was crummy
And stuggly
Would you hug me

[Repeat Chorus]
