

I need you

B3

I need you, girl,
I couldn't live a day without you.

Well, I tried to write a special song,
A lovesong just for you
To explain the way you make me feel inside
So the meaning very simple
And the word may not be lose,
I couldn't make it better if I tried

Refren:

I need you,
And I couldn't live a day without you
I need you,
More than anyone could ever know
I need you,
And I wanna build my world around you
I need you
I need you

Well, I sing the words and realised,
That it all had been sad before,
So I try to a different mind that meant so say,
But I didn't had the feeling,
And the first one said much more,
So I guess I'll have to say once again,

I need you,
And I couldn't live a day without you
I need you,
More than anyone could ever know
(more than anyone could ever know)
Couldn't live a day without you, girl
I need you
And I wanna build my world around you
Be there...

I need you
(Oh I need you)
Baby
(Couldn't live a day without you)
More than anyone could ever know
(More than anyone could ever know)

I couldn't live a day without you, girl
I need you
And I wanna build my world around you
I need you

I need you
(I need you)
And I couldn't live a day without you
(I wanna) (Couldn't live a day without you)

I need you

(Yeah, yeah)
More than anyone could ever know
(I need you, no no no)
I need you
(I need you)
And I wanna build my world around you
(I wanna) (couldn't live a day without you)
I need you
(Yeah, yeah)
I need you

Well, I tried to write a special song,
A lovesong just for you,
I need you
