

Chorus

IEO, IIEIIIEO, IO, IEO, IIEIIIEO, IO.

(how you pronounce it)

You know i loved getting up in the morning,

when the sun first strikes the tree.

aaaaaah

All the morning birds are singing above,

it still brings back memories, of a girl who stood beside me,

when the rights i did were wrong.

aaaaaah

But she went back down the river,

just when i thought i could be strong,

when i could be strong, so i say...

Chorus

She never told me why she left me,

but the letter said goodbye.

aaaaaah

Now my mornings are for wondering,

and my nights to reason why,

why a stranger comes to steal the love,

of a girl i had to own.

aaaaaah

But she went back down the river,

just when i thought i could be strong,

when i could be strong, so i say....

Chorus

(til the end).
