

I Swear

B3

I swear by the moon and the stars in the skys
And I swear like the shadow that's by your side

I see the questions in your eyes
I know what's weighting on your mind
You can be sure I know my part
Cause I stand beside you through the years
You'll only cry those happy tears
And though I make mistakes
I'll never break your heart

And I swear by the moon and the stars in the skys
I'll be there
And I swear like the shadow that's by your side
I'll be there
For better or worse, 'till death do us part
I'll love you with every beat of my heart
I swear

I'll give you everything I can
I'll build your dreams with these two hands
We'll hang some memories on the walls
And when, and when just the two of us are there
You won't have to ask if I still care
Cause as the time turns the page
My love won't age at all

And I swear by the moon and the stars in the skies
I'll be there
And I swear like the shadow that's by your side
I'll be there
For better or worse, 'till death do us part
I'll love you with every beat of my heart
And I swear

And I swear by the moon and the stars in the skies
I'll be there
And I swear like the shadow that's by your side
I'll be there
For better or worse, 'till death do us part
I'll love you with every beat of my heart
And I swear

I Swear
