

Even if you don't have time to spare
Can't see a chance but it is there
You don't think so but it's true
You should believe what you can do
You can cope with anything

Life is easy
I'm still dreaming
Life is easy
I'm still dreaming

Even if you don't have time to spare
Can't see a chance but it is there
You don't think so but it's true
You should believe what you can do
You can cope with anything

Life is easy
I'm still dreaming
Life is easy
I'm still dreaming

Life is easy (it's so easy)
I'm still dreaming (dreaming, I'm still dreaming)
Life is easy (it's so easy)
I'm still dreaming

(Life is easy)
And I'm still dreaming, dreaming
And I'm still dreaming, dreaming
And I'm still dreaming, dreaming
Dreaming, dreaming
And I'm still dreaming, dreaming
And I'm still dreaming, dreaming
