

Lonely Road

B5

Hmmm na na na na... Ooh whoa... Hmmm

If you could see what I'm thinkin,
I'd be right there next to you
Lookin' in your eyes day dreamin,
Theres nothin more that I wanna do...

Because I'm completely
in love with you until the day I die

I'm walkin down a lonely road
With you on the other side
I've been gone for a long, long time
So please don't say goodbye
I'm walkin down a lonely road
With you girl in my sight, baby please don't say goodbye
Say good bye...
Don't say goodbye
Don't say goodbye

If words can explain what I'm feelin,
How much it hurts when I'm not with you.
I wanna hold you, and kiss you, and tell you theres no one but
you
So don't give up on me now

Ooo whoa... Girl
Oh!
