

## Ooh Ahh

B5

I know you my ex  
But I wanna make love like we used to (with you)  
Girl flex  
Time to have sex like we used to (ahh)  
I know you still got love for me  
So let me hear you tell me what's it gon' be  
If you wanna slide through  
All you gotta do is make a move  
(Girl like we used to)

I know you my ex  
But I wanna get down in the bedroom (with you)  
Girl I must confess  
It was always the best with you (uh huh)  
I know it's been a long time since we  
But I remember girl you used to be a freak  
Do you wanna slide through  
All you gotta do is make a move (move, move)

Baby can we ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Make love like we never broke up

Baby can we ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Make love like we never broke up

I know you my ex  
But I wanna make love like we used to (uh huh)  
Know it's been a long time  
But I wanna blow your mind like the last time (woooahh)  
I had you in your favorite positions  
You ain't gotta front girl, I know you miss it  
Slide through  
All you gotta do is make a move (move, move)

Don't wait  
Wanna see if you can take it like you used to  
Wanna see you shake (shake, shake, shake)  
Shake that ass like you used to (used to, uh huh)  
Let's get this started, I'm tryna get in that body  
Get elevated, I'm thinking something exotic  
Come through  
All you gotta do is make a move (move, move)

Baby can we ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Make love like we never broke up

Baby can we ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Make love like we never broke up

It's been a while but I heard you're back outside  
(Is that right? Is that right?)  
Let's get away somewhere and catch some vibes  
(It's time, it's our time)  
I know we got our past, but you're the future  
Got a feeling you got everything I need  
Girl we grown so it's only our decision  
Let me know 'cause I'm really tryna see

Baby can we ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Make love like we never broke up

Baby can we ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Ooh ahh, ooh ooh ooh ahh  
Make love like we never broke up
