

## Shining Star

B5

Yeah, it's B5, yeah  
Let's go, yeah, come on

When you wish upon a star, your dreams will take you very far,  
yeah yeah yeah yeah  
When you wish upon a dream  
Life ain't always what it seems, oh yeah, come on  
What you'd see on night of clear, in the sky so very dear

You're a shining star, no matter who you are  
Shining bright to see, what you can truly be, truly be

Yeah, it's B5, yeah yeah

Shining star come into view, shining watchful light on you, yeah  
h  
Gives you strength to carry on  
Makes your body big and strong  
On the adventure of the sun  
It's all awake and just begun  
Thought I had to stir the mood  
That's it now I got my own oh yeah

So if you find yourself in need  
Why don't you listen to these words of heat  
Be a giant or grain of sand, words of wisdom yes I can

You're a shining star, no matter who you are  
Shining bright to see  
What can truly be  
You're a shining star, no matter who you are  
Shining bright to see  
What can truly be

Shining star for you to see, what your life can truly be  
Shining star for you to see, what your life can truly be  
Shining star for you to see, what your life can truly be
