

Spooky

B5

Chills all over my body
Look what you done started
Serving up all that body
Afraid of what it make me want to do (Sorry)
For the way you might catch me staring
'Cause you're so cold it's scary
How bad I want you girl
Very very bad girl
You bad girl

You must got a spell on me
'Cause I can't see nobody else
And when I'm around you
It's like I just can't control myself
Heard you left a trail of hearts
And vanished like a ghost
I hope that I'm the exception
'Cause I just can't let you go

Loving the way you moving
Like you know what you doing
Body language you're fluent
And it do something to me
'Cause you're so bad it's spooky
Girl, you're so bad it's spooky
Girl, you're so bad it's spooky
Girl, you're so bad it's spooky

Hair standing up on the back of my neck
You so cold, but I'm breaking into sweats
Spend the bag on everything you possess
Killing these niggas all day like flex
Ooh you got me feenin'
Really wanna have you screaming
See you turn to a demon
Even if I wanted to ain't leaving

You must got a spell on me
'Cause I can't see nobody else
And when I'm around you
It's like I just can't control myself
Heard you left a trail of hearts
And vanished like a ghost
I hope that I'm the exception
'Cause I just can't let you go

Loving the way you moving (Aye)
Like you know what you doing (Doing yeah)
Body language you're fluent (Fluent)

Everything you rock is pricey

Thinking about making you wifey
Booking you expensive flights
We can go wherever you like
I ain't no trick, but it's still my treat
Girl you so thick, looking good enough to eat
Put you in drip from your head to your feet
Walk in, go straight to the bed, you a freak
Do whatever you want to
Nigga, I ain't ever scared when you come through
And I love it when you call me bae
And you say that you love it when I call you my boo
All in your ear, biting your lip
Got you losing it
Said you was a demon
Now it's time to see you prove it

Loving the way you moving (I love the way)
Like you know what you doing (Like you know what you doing)
