

# You Got Me

B5

It's the way that you touch me  
You let me know that you love me  
And the way that you kiss me  
You let me know that you miss me  
And nobody's gonna take me from you

You got, you got, you got me  
Going crazy I'm caught up  
I don't know what to do  
You got, you got, you got me  
(And all you gotta do is) call me  
I'll be there in a hurry

You make me feel special  
I'm on top of the world when I'm next to you (you)  
I just wanna caress you  
I love all the things that you do  
I'm right here I ain't going no where cause

I know it's hard for you to see  
That gurl your the only one for me

I'm clean from my feet up  
Check my jeans and my sneakers  
Flea from the scene like cheetah  
Then I come right back with love  
Matter fact Imma back you up  
That's how to act  
So don't try to act like  
You don't wanna act right  
Looking for me in the day time with a flashlight  
I'm not a half pint  
More like a liter  
I'll leave you my phone number and I'll see ya when I see ya  
More charm than Mike Seaver  
I'm either that hottest dude spittin'  
Or yall dudes is trippin'  
And a lot ducks chase the bus  
But I ain't press on a bird  
Can't nobody break us up  
Cause now you got me  
You can spend 100,000 with papi  
Automobile or that Kawasaki sent  
We a team till the death  
And I wanna be your homeboy, your boyfriend, your boo, and your best friend  
You got me
