

# 3AM

Baauer

I vibes in the night time  
When you come through it's looking like the right time  
When its 3AM I just need a lifeline  
Call your phone babygirl, I got the right mind  
I ain't tryna wife b, I'm just tryna live life  
I blow money when I get it so I live nice  
She got the cake I'm just looking for a quick slice  
And when the day breaks I don't even think twice

I need a girl with a waist  
I'm a starboy, I could never shine with a waste  
No pasa no pasa  
Girl dont worry about beef I got my guys in the place  
Me and looking fency  
So I sleep in the day and come alive in the wakes  
A pengting with a vibe is what it takes  
I ain't cuffin no girls thats a line for the jakes

Girl lets have a couple light drinks  
Nothing heavy, I'm incredible general trust man My money big bro here little

I need a P1 black not a chevy  
And I'ma drink till the end of the day  
My niggas in the block I'm tryna get dem all away  
I don't care what you done  
I don't care what you say  
Mi nuh fear next man get the fuck out of my way

What a man, what a man, what a man you've got to be  
Yeah you took a lot of noise, I'll believe it when I see  
Theres a couple other boys but you the one I need  
You don't wanna waste my time, my sole guarantee

A viben, they whining  
I'm stressfree my dawgs violent  
As a youngen I would duck from the triden  
Feds tried to nick me a couple times but I'm silent  
Colourful, Gucci  
I Tag her in my top and its vibrant  
Dope foreign and my car is a migrant  
Water on my knickers if I'm playing in the hydran  
Brown skin looking all cold and maple  
Wifed her Feb got me march through April  
I got my health and I'm grateful  
Badman Slide through the darkness  
Moon on my back  
Big batty girl I'ma spoon up and that  
Get my hair twist lemonade causal  
I'm a starboy you could never read it in a manual

What a man, what a man, what a man you've got to be  
Yeah you took a lot of noise, I'll believe it when I see  
Theres a couple other boys but you the one I need  
You don't wanna waste my time, my sole guarantee

I know what you need  
I know what you want

You just got that something you can't find in everyone  
I know what you could be  
Cause I know what you are  
People talking about you  
They feel power from afar  
They can see that in the dark

What a man, what a man, what a man you've got to be  
Yeah you took a lot of noise, I'll believe it when I see  
Theres a couple other boys but you the one I need  
You don't wanna waste my time, my sole guarantee
