

Nothing's Ever Real

Baauer

There's something coming over me it spins my mind
A hopeless possibility that I might find
Someone just shelter me and hold me right
Not giving up easy but it's hard to be born

Keep on falling into danger every man that I meet
I keep hoping on a stranger, it's the sweetest deceit
Yeah I know it ain't true because

'Cause nothing's ever real enough
And see what you believe, take what you want
'Cause nothing's ever real enough
Take what you want, take what you want
Nothing's ever real enough
Nothing's ever real, nothing's ever real, real
Nothing's ever real enough
Take what you want, take what you want

Forgiveness that you're selling, I'll trick myself
With every touch I'm turning into someone else
Someone who could be me, I just can't tell
Not giving up easy but I have to be born

Keep on falling into danger every man that I meet
I keep hoping on a stranger, it's the sweetest deceit
Yeah I know it ain't true because

'Cause nothing's ever real enough
And see what you believe, take what you want
'Cause nothing's ever real enough
Take what you want, take what you want
Nothing's ever real enough
Nothing's ever real, nothing's ever real, real
Nothing's ever real enough
Take what you want, take what you want

And I can see through this fate in front of me
But I still believe
And I choose to live inside a fantasy
Of you and me

I know that I'm a fool, I know this can't be true
I know that this is all that I can do
To keep on

'Cause nothing's ever real enough
And see what you believe, take what you want
'Cause nothing's ever real enough
Take what you want, take what you want
Nothing's ever real enough
Nothing's ever real, nothing's ever real, real
Nothing's ever real enough
Take what you want, take what you want
