

READY TO GO

Baauer

Yo, girl, you thick, can I have some more?
Can I have some more? (Uh)
You been here before, guess you indigo
Guess you indigo (Indigo)
Don't act like you're rich, just go for broke
Just go for broke (Uh)
You see me right now, yeah, I'm ready to go (Check!)
Yeah, I'm ready to go, ah

Go

Click that thang like tambourines (Stuh!)
I'm tryna tap that like [?] (Yeah!)
Clockwise, southside, let me in between (Uh, huh)
Wavy with the honey, and I'm tryna sing (Aight)
Ayy, ayy, ayy, what you mean? (Hey)
Got my hair puffed up like ex marine (Hey)
Walk out that jack, you trust the king (Hey)
That ass so fat, bustin' out them jeans (Ah, woo!)
Bust it open, look back at it (Yeah)
Losin' my mind, like a crack addict (Yeah)
Losin' my breath, gettin' asthmatic (Yeah)
'Cause a [?], did a jackrabbit (Stuh!)
Lookin' back, baby, look at it (Uh!)
Wait, rollin' safe and I want the addict (Uh!)
Wow, like a bad habit (Uh!)
Oh, I really gotta have it (Yeah!)

Meet me at my place
Your face, Bombay
More bass
Illustrates slow shape
Double-take, got me lookin' back
Meet me at my place
Your face, Bombay
More bass
Illustrates slow shape
Double-take, got me lookin' back

Go

Back up on it like dumps in a truck
Dan make a player just wanna go guts
I be gettin' clunked 'cause they get one time
That thing jiggle even when she strut
Ayy, ayy, know what's up
Tryna get behind it when you're doin' toe-tucks
Shootin' my shot and I'm hittin' in the clubs
Make a player just wanna go nuts
Work that shit, let me have some more
Let me take the red off, let me crack the go
Could you get up on it while you drop it low
You already know I'm read' to go
No, throw it on me, baby girl, throw it back
Know where I'm goin' but you got me off track
God damn, girl, just how you do that?
Make me wanna double take, got me lookin' back
