

## Turquoise

Babe Ruth

Talked to the cat  
About ourselves seeing but blind  
Shadowed window pane  
Mirror designs  
Called you on the phone  
But I talked with the air  
Hotel in Paradise  
The House we shared  
Embracing  
In a dark dusty room  
Echoed cathedrals  
Alone with the fool  
My coat is a memory  
My head's in a daze  
Turquoise  
I desire you

Caught in the doldrums  
Caught in the tide  
Nine  
I adore you

The embraces  
in dark dusty rooms  
Echoes cathedrals  
Alone with my fool  
My coat is a memory  
My head's in a daze  
Turquoise  
I desire you  
Yes I do
