Babes in Toyland

I see, it's red on this side
It's red on this side
Arriba

This is how you feel
This is how you
This is how you feel

I see it's red on this side
It's blue on this side

Well, Basic Betty's jawjak
Their common Tommy's down that
Doing it all the way
It's always, always

I see, it's red on this side
It's blue on this side
Arriba

This is how you feel
This is how you look
This is how you feel

It's blue on this side
It's red on this side
