Babes in Toyland

My angeling steeping green gel anodyne
I never meant to but I'd love to
You be me and I'll be you
I never said I had to lie to
I need it I bleed - S.F.W.
How how how yeah
I've come to agonize the look
I see and specialeyes
I've never met you but I'd love to
You be me and I'll be you
I never said I had to right you
I need it I bleed yeah
