Baby Ariel

How you always looking so amazing?
Swear to God, it's like God and RiRi had a baby
You don't gotta play hard, already an all-star
Like your Uber rating

Got me thinking like alright, alright, alright, alright
No something just not right
No, no, no, nobody this fly
No, no, no, nobody this fly
Maybe that's why, oh why, oh why
I'm always tryna pick a fight
When there's nothing I don't like about you
Cause you're...

So perf
Everything you do is so perf (oh my god)
Wake up in the morning, so perf (perf)
You ain't even gotta go to work (work)
You're so perf
So perf
Na-na-na-na, na-na, na-na-na
Everything you do is so perf
Na-na-na-na, na-na, na-na-na
Wake up in the morning, so perf (so perf)
Na-na-na-na, na-na, na-na-na
You ain't even gotta go to work (go to work)
Na-na-na-na, na-na, na-na-na
You're so perf

Don't know what you do to me
But what you do makes history
Like Titanic, submarines
Uh oh, I think I'm in deep
Like therapy
Can you sit right there?
I'll tell you everything
'Cause you're so good at listening

Okay, alright, alright, alright, alright
I know that you my type
That don't mean you on my mind
No, that don't mean you on my mind
Okay, alright, alright, alright
I might, I might, I might have lied
You always on my mind (bye, bye, bye)
