

Early In The Morning

Baby Bash

Early in the morning before I eat my breakfast
I gotta get down
Early in the morning before I eat my breakfast
I gotta get down
Late night in the evening before I get to sleeping
I gotta get down
Late night in the evening before I get to sleeping
I gotta get down

Oh goody goody got the morning woody roll over
so quick baby curl give it to me man what a
quickie stab it with a stifie bustin' bigger nuts than
Peter Pan and Jiffy Give me a little lickie huggy kissie kissie
And off last night I'm still a little wiggy
Forgive my girl if I damage ya but it feel like
I'm on Viagra

Early in the morning before I eat my breakfast
I gotta get down
Early in the morning before I eat my breakfast
I gotta get down

Well I'm a Cheech I'm a Chong Wrap the watta bong
Hit it for so strong and hold it for so long
I'ma whip I'ma worm roll the whole blunt
Grab the Visine feeling so crunk
Check my watch
Connect my dots scratch my croach and get in my flip flops
All I hear is pots and pans with the sizzle
choriso con huevos man its off the hizzle
choking on that residue I told you all man what I fence to do
You know Hydro he a friend of mine take the
monkey off my back like everytime Gotta stilo
That's so frilo fly like an eagle so high me and
my amigos another day another dollar another
deal so what you huh what when ya wanna kill?

Who that coming threw what's really cracker lacking
what's up with you Oh no not him again he be rolling
with 'em crazy ass Mexicans Baby Bash you a fool
on the cool I'm just playing thou What's the deal
what 'em other boys playing for Holla Holla all my
itchy dollar got everybody thinkin it's cool to hate
another but man hold up I'm on a new page
All my haters in the mess get out my Kool-Aid
I'm quick to spark up and steal sumbody's
lighter I get cotton mouth and eat sum
Jambalya Oh my Mya Oh hell yeah before I make
love I put you in the air Twice Last Night and
Once in the morning I gotta get down so I can
get going
