

Heaven On Earth

Baby Bash

I'm the only one for you
You're the only one for me

Oh
She's like my gangster [?]
With the candy paint
Top down, on a Sunday afternoon
And when the sun goes down (sun go down)
And the stars align
I could see, your eyes baby

It feels like heaven on earth
When we ride it (When we ride it)
It feels like heaven on earth
When we slide in (Slide in)
It feels like heaven on earth
When we do it all night long
Can you feel it?
(I can feel it, I can feel it)

There's something about the way
We pull up
There's something about the way
We roll up together
And I promise, oh
Always and forever
We can ride the stormy weather
Just me and you together

It feels like heaven on earth
When we ride it (When we ride it)
It feels like heaven on earth
When we slide in (Slide in)
It feels like heaven on earth
When we do it all night long
Can you feel it?
(I can feel it, I can feel it)
Oh yeah

(Heaven)
Feels like heaven
(Heaven)
You're my angel
(Heaven)
When we're cruisin' together baby
(Heaven)
Oh
(Heaven)
'Cause what we got is so real
(Heaven)
We can make it
(Heaven)
We can make it baby
