Get it in like the DJ do
Like the DJ do, like the DJ do.

Ooh Girl, you a stunna
Well Baby girl hit me on the under,
or else my lady gon' wonder,
Who callin' my phone from this number
Yeah, so let's keep it low key,
(I'ma keep it low key, I'ma keep it low key, I'ma keep it low key)
Gotta keep it low key
(I'ma keep it low key, I'ma keep it low key, I'ma keep it low key)
Gotta keep it low key

We gon' keep it on the low low, we ain't gotta show show
Cause we can get messy as a hobo,

And it's better that they don't know,
That we out doin our grown folk,
Keep me warm all winter, cause it don't stop
Girl I love to get in ya,
In the drop top, looking just like a winner,
Hit me later on boo, maybe we can get uhhh.

Yeah hook it up like a tow truck
Later on we can get it in like a slow cut,
Hit a cool spot, where the people don't know us
And hit your G spot while your scratching up my shoulders

Ooh Girl, you a stunna
Well Baby girl hit me on the under,
Or else my lady gon' wonder,
Who callin' my phone from this number
Yeah, so let's keep it low key,
(I'ma keep it low key, I'ma keep it low key, I'ma keep it low key)
Gotta keep it low key
(I'ma keep it low key, I'ma keep it low key, I'ma keep it low key)
Gotta keep it low key
(I'ma keep it low key, I'ma keep it low key, I'ma keep it low key)

Playboy penthouse smoking on G,
You know it's all on me,
And I'ma make sure that you never lonely,
..girl you know you got that snap back
Make me wanna grab that, strong when I tap that,
And I ain't playin' what I'm sayin,
You know I gotta go but I wish that I was stayin'
Cause you be given me that A1
Top shelve love, when we both need a break from,
Me and you gone, gotta shake from the main one,
See me in the club with my girl, and you don't say nothin.

Ooh Girl, you a stunna
Well Baby girl hit me on the under,

Or else my lady gon' wonder,
Who callin' my phone from this number
Yeah, so let's keep it low key,
(I'ma keep it low key, I'ma keep it low key, I'ma keep it low key)
Gotta keep it low key

Girl I wish that I could stay the whole night
Wake my ass with you by my side,
But you know I gotta catch that flight,
So until the next time, girl I hope you're alright.

La la la la, la la la
La la la la
Let's keep it low key
