Pure Intentions

Baby Bash

Take me for a ride
Love seems brighter to me nowadays (nowadays)
You got me feeling, boy, some type away (type away)
Make me wanna share my whole life with you
I said yes I do
I said yes I do (ooh-ooh)

Daydreaming babe (ooh-ooh)
And I just can't stop my smile
You really drive me wild (pure intentions)
I got 'em vibin' baby all over you (my intentions baby)
I got 'em vibin' baby all over you (pure intentions)
I got 'em vibin' baby all over you (my intentions baby)
I got 'em vibin' baby all over you (ooh-ooh)

One day I heard you calling my name (ooh-ooh)
When I was cruising in the low-low (ooh-ooh)
My love for you is solid, it never change (ooh-ooh)
So I'll come scoop you, riding solo (ooh-ooh)

Float like a jet-ski
Girl you're sexy
Love it when you fucking with this ice-cold Mexi
And girl let me mention
I love the attention
'Cause I know, you got pure intention (ooh-ooh)

Daydreaming babe (ooh-ooh)
And I just can't stop my smile
You really drive me wild (pure intentions)
I got 'em vibin' baby all over you (my intentions baby)
I got 'em vibin' baby all over you (pure intentions)
I got 'em vibin' baby all over you (my intentions baby)
I got 'em vibin' baby all over you

Pure intentions (ooh-ooh)
My intentions baby (ooh-ooh)
Pure intentions (ooh-ooh)
My intentions baby (ooh-ooh)
