Beam me up, I'm comin' up, expect me on your station  
Turn me up, yeah, crank it up, my song is what they playin'  
And if I get you home tonight, then baby, ain't no playin'

But they ain't packin' what I'm packin', ain't too far behind  
So I'm a go 'head baby girl, and let 'em stand in line

Mama, take a ride with a G, roller coaster Range Rover  
Purple paint, white seats, just like I played for Minnesota  
Drop top, in New York, mama say she want me back  
My life is like a movie tour where everything is strapped, we g

Boys wanna, girls too, I just keep it player with 'em  
Mama lookin' real good, and I just like, playin' with 'em  
Sexy, classy, real and nasty, and she know I'm 'bout mine  
Just know I'm on a roller coaster when I'm on my down time

Step, step, step right up  
Get your ticket, let it buck  
Step, step, step right up
