

Valentines Kiss

Baby Bash

Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah
Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah

Tell me why, tell me why I think of you
You know that my love is true
You know what I like to do, oh
FaceTiming in my room
FaceTiming in my room
And just enough for a spot now, right now

Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah
Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah

Hurry up, hurry up and get your ass home (come home)
Want you to see what I got, ooh
These nights are getting way too long
So long

I'm on the first bend smoking
Flying up out to Oakland
Hoping the true devotion
Your arms are wide open
Go without it loving
Squeeze it tender, touch it
Girl, you know you'd love it
I'm bound to be your husband

It's been so long every time we kissed
It melts me, corason
I work so hard for days like this
Fuck talking on the phone
Yeah, I feel the vibe that you bringing
The reina to my kingdom
My Valentine is all the time
Baby girl, just keep on singing

Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah
Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah

I just wanna hold you right now (can I hold you?)
Take you in my arms right now (right now)
I just wanna hold you right now (kissing you)
And take you in my arms right now (take you in my arms)

Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh (kissing you is all I've been thinking of)
Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah
Kissing you is all that I've been thinking 'bout
Kissing you is, ooh-ooh, ooh, yeah-yeah-yeah
