

## Caution

## Baby Drill

Hold On

This shit dangerous I make 'em move wit caution  
Realist bitch alive and when I'm dead and in a coffin  
This shit that I'm smokin' on right now it got me coughing  
Any nigga outa line I got my bro in hear to chalk ya  
I say the word he get it done  
I been getting money no need to promote the guns  
But I still a show a bitch wassup she poppin' at dem gums  
Really show a bitch I'm like that put a belt onnat for fun  
Yeaaa  
I probably rock that baby  
Would say bitches in my blunt but I be smoking flavors  
Tired a bitches watching me it's time to cut the cable  
I'm finna get up on y'all ass and tell 'em blame the label

Truth be told they should be blaming me  
I'm the first young nigga out the hood seen a M but I'll still work t  
hat backseat  
Told SMJ the day they play the day they all deceased  
Pay for a body like clothes off Shein  
Walk that boy down hit his top where he think  
My bitch keep Glock in her purse she sending shit to NASA  
These niggas ain't having funds they just having guns go to jail who  
the fuck gone get 'em  
These niggas really my son go KKK 'cause ion fuck with niggas  
When it's war nigga hide nigga know wassp I'm the one that come and g  
et 'em  
Ian have nun to lose I'll spray sum  
And I'll get sum free just say sum  
I'll go like Chief Keef for I let a police ass nigga turn me to Trayv  
on  
ARP dare a fuck nigga take sum  
Think he a opp he a creative player  
Get shit dropped like Dave Chappelle  
AKA the Demon Slayer

Yea, Queen shit I step on bitches like they peasants  
These bitches know wassup they know this shit hea far from pleasant  
I ride around wit hot shit make a heart stop shit a bless ya  
Bitch I'm feeling mustard tell these rapper bitches catch up  
Yeaaa  
I'm running laps on bitches  
Only hanging with the killers fuck the rats and snitches  
Who the fuck claim the best like bitch that's my position  
Hit the club we make it rain these bitches finna scissor

Lil bro got shot inside the club but he ain't take no liquor  
We just bought some hands inside the Drac send a flash ian talking 'b  
out picture  
I put a titty on a bottom of the drake  
Bro beat a body then went MIA

I put the signature onside of the stick  
And I put your mans right inside of the grave
