

## Half

Baby Keem

Just went half on a bitch, bitch wanna see how much I spent  
All eyes on my clip like this, wish yo' ass could get like this  
, woah  
Off-White be my fit  
Made enough cash, gotta bend ten fat  
Lil' bitch broke my heart last year  
God on the phone, I'll get her like that  
Just went half on a bitch, bitch wanna see how much I spent  
All eyes on my clip like this, wish yo' ass could get like this  
, woah  
Off-White be my fit  
Made enough cash, gotta bend ten fat  
Lil' bitch broke my heart last year  
God on the phone, I'll get her like that

Just got word of the throne  
Back up, ho, back, back, back off me  
Humbled another bad bitch, I'm sorry  
Y'all better know the status, I'm sorry  
Dodging another addict, models in the attic  
Gettin' antic, my lifestyle jagged  
High fashion, I don't talk much, quiet assassin  
It take a lot to get like this, why your man can't get like this?  
[?] all up in my fit  
[?] on my whip  
See you then I swerve  
Bitch, I go to work  
See you then I swerve  
Bitch, I go to work

Just went half on a bitch, bitch wanna see how much I spent  
All eyes on my clip like this, wish yo' ass could get like this  
, woah  
Off-White be my fit  
Made enough cash, gotta bend ten fat  
Lil' bitch broke my heart last year  
God on the phone, I'll get her like that
