

Baby (You)

Baby Smoove

Baby, you the one, you got just what I need, baby
Baby, you the one, I might give you a seat, baby
Baby, you the one, for your love, I say please, baby
Baby, you the one, you been just what I need lately
Baby, you the— I say baby, you
Baby, you
I say baby, you the one

When we ridin' in my 'Cat, she got no problem when I'm speedin'
It take a minute just for me to love, I know that she gon' need patie
nce
She know my heart got patches, it been bruised, she gon' still take i
t
She know my feelings damaged and abused, I'm a real patient
All my love be pure, ain't got no motive, I don't need you
But if you broke, go get up off your ass, they ain't gon' feed you
Ain't no goin' back and forth, I lay in bushes, we'll chop trees
I can't trick off on no pussy 'less it's mine, and I believe
I come from 7 Mile, now I'm on Biscayne in Lamborghini
They sold a lot of pounds, but who the fuck be callin'? That's police
She wan' try keep me 'round, she love the way I fuck her, she be crea
min'
You niggas soft as hell, take a couple pills, and now they demons

Baby, you the one, you got just what I need, baby
Baby, you the one, I might give you a seat, baby
Baby, you the one, for your love, I say please, baby
Baby, you the one, you been just what I need lately
Baby, you the— I say baby, you
Baby, you
I say baby, you the one

I say baby, you'll never be the two
I say baby, ooh, I wan' be with you
I hope you the realest 'round this bitch, I hope you keep it true
I hope all the love you showin', it been real and not influenced
I hope you know that I ain't fuckin' no other bitches, I want you
If a nigga were your type came up and tried it, would you do it?
If I had to leave and go sit down, would you stick with me through it
?
If I need you to drive my hundred bricks down South, now, would you d
o it?

Yeah
If I need—
Ayy, baby, you the—
Ooh
I say baby, you the one, I say you the—
Baby, you the one, you got just what I need
Baby, you the— you're everything I—
Baby, you
I say baby, you, baby, you the—
