Big house in the 'burbs, 'bout to fill it up with seals
Coulda had you knocked off if I was thinkin' 'bout your kids

I'ma backhand that bitch if she come in for a kiss
Why this bitch on my ass, on my back like a tick?

If I really told you 'bout her, boy, I know that you'd be sick
All them SI diamonds, boy you know that ain't a kick
Why the fuck you tryna jade me to go and get tempted?

Hold on, I found a bitch, she gon' blow me on the trip
You're lucky Bam locked up, he woulda blew you for your wrist

I got a freaky-ass bitch who do shit on the cam
She ain't like this for you 'cause she know you a ham
Taking shots back to back, all on Instagram
Brought percs to the party, got 'em packed in my pant
