

Lethal Weapon

Baby Smoove

F-R-A-N-C-H-I-S-E

She think I'm cute, she wanna' have sex
I just want a pint, it might be a lil' [?]
I remember being broke, now it's 200 on my check
\$1, 400 for my pants, I remember wearing [?]
I'll never back down, got a glitch for my protection
Got 220 on my dash, riding with a lethal weapon
Them niggas know we getting rich
I know all them boys a bitch
\$5, 000 on my fit, but got 30 in the switch

I know them niggas pump faking, but see all my niggas with it
I go to sleep with a model, raw syrup what I'm sipping
They gon' call me baby bottle, thirty seals in my kitchen
We could bring your trap to life, we got birds and them chickens
She gon' say she love me, she gon' have to prove it
I can't hang with no nigga who got a gun and don't use it
Brodie too high off the pills, he just slobbering and drooling
I spent a car on my ring, on my pinkie it's a Fusion
I been having racks [?] take it back
I supercharged all my cars, all the strikers be the Scat's

She think I'm cute, she wanna' have sex
I just want a pint, it might be a lil' [?]
I remember being broke, now it's 200 on my check
\$1, 400 for my pants, I remember wearing [?]
I'll never back down, got a glitch for my protection
Got 220 on my dash, riding with a lethal weapon
Them niggas know we getting rich
I know all them boys a bitch
\$5, 000 on my fit, but got 30 in the switch

She want me to show my feelings but I'm scared she gon' hurt me
I been married to that money and I know she want the [?]
I buy my bitch whatever but I still will never trust her
Bitch I been that nigga, hoes treat me like a [?]
I sleep in a mansion, I might go get me a butler
I'ma crack the seal on every last pint, don't you touch it

She think I'm cute, she wanna' have sex
I just want a pint, it might-
I just want a pint, it might be a lil' [?]
