

## Lead Cloud

## Babybird

She flies high, higher than the sky,  
She knows why no-one else can fly  
If I try to wave the girl goodbye  
She flies, she flies, she flies away.  
Mmmmmmoohhhh.

She flies high, higher than the sky,  
She knows why no-one else can fly  
If I try to wave the girl goodbye  
She flies, she flies, she flies away.  
Mmmmmmoohhhh.
