You a bad bitch, bad bitches get allowance

Thick motherfucker, rich motherfucker  
Pull up in yo' foreign, let me put this dick on ya  
If that pussy water, baby you might get somethin'  
Big boy bag, big girl wrist on ya  
You might get a Birkin, nah bitch, I'm perpin'  
Say she want it everyday, but a nigga working  
I'll close the trap for a day if it's worth it  
Better not bring yo' friends around me, you know they thirsty  
You know I ain't shit, it ain't nothin' that I ain't hit  
Take yo' panties off, let a nigga play with' it  
Make it rain for me every time they play my shit  
If they say a nigga name, change the conversation quick  
Keep it on the low, creepin' on the high  
Tryna hide her in the Rover but you know a nigga hot  
Classy ass ho, fucking like a freak  
Fly you to Ohio, fuck her on the beach
