

Donda Bag

Babyface Ray

T-That's, that's, uh, just about a golden rule in the mob
It's not about money
I just need my space right now

My name good, my face clean, my pockets full, my people straight (Yeah)
Double-
park, they let me through the back, I got my hoes with me (My hoes with me)
Ayy, your MCM be all up in my hair, he wanna join the team (Fuck 'em)
I tell my young dog he won't be like me 'cause he keep drinkin' green (No)
I told my ex-bitch, "You can't get back with me, I'm too far for that" (No)
Dog shit all I'm countin', I'm cashin' it out, boy, who you think started th
at? (Mob)
But keep spinnin' and spinnin' and winnin', these niggas, they sound like a
laundromat (Spinnin')
Come through black on black, the windshield's black, I've been in my Donda b
ag

Ayy, the Pistons booked me, standin' on the court, I'm gettin' all kind of b
ags
I caught up with my shorty, "How you feelin'? 'Face, it's different, love'"
How you love me, baby? That shit crazy, we don't kiss and hug
Pulled up in your city, thought 'bout you, that's why I hit you up
I'm gon' give you game and take this pack, I better not lift you up
Let's link up in a mansion, bring the bitches, I'm gon' get the drugs
Ayy, boy, I've been on one, pushin' P, I used to skip to fuck
I should charge you niggas just to come and watch me mix it up
Red and white, a candy cane, I put F's on everything (Uh-huh)
All white look like Dairy Queen, Rolex watch in every scene
She gon' hit her knees for me, think she wanna marry me
Who decides worth of us? I put up Amiri jeans
Took a yellow, then took off, shit look like a Spirit plane
Why you take my dog from me? I don't even feel the same
Man, I got a lot to lose and I got some M's to gain
Yeah, let me just get out your way, niggas playin' Insta' games
Wavy how I'm livin', that's my gang and my business name
Iced up to my neck, bought my mama, bought my kids a chain
All this fuckin' ice on this shit, you'd think my wrist is sprayin' (Woo)
Freaky-ass want a purple shower, I be pissin' drank

Ayy, my name good, my face clean, my pockets full, my people straight (Yeah)
Double-
park, they let me through the back, I got my hoes with me (My hoes with me)
Ayy, your MCM be all up in my hair, he wanna join the team (Fuck 'em)
I tell my young dog he won't be like me 'cause he keep drinkin' green (No)
I told my ex-bitch, "You can't get back with me, I'm too far for that" (No)
Dog shit all I'm countin', I'm cashin' it out, boy, who you think started th
at? (Mob)
But keep spinnin' and spinnin', and winnin', these niggas, they sound like a
laundromat (Spin)
Come through black on black, the windshield's black, I've been in my Donda b
ag

I ride out the foreign to a foreign, I ain't even tryna brag
I done bossed my level up, it's hard to see you eye to eye (Mab)
Had to bring security, grab these bags when I be tryna shop
I've been knockin' bitches, but it's better with a diamond watch
Better when it's out the mud, it's a 'vert, the top is up (Yeah)

I got shit on both my wrists for times they tried to lock me up (Mmm-hmm)
Noddin' off this codeine, burnt the seats and I just got the truck
If he spoke a word to them people, he is not with us (Not at all)
Why you actin' like you really active and be outside? (Actin')
Seen a so-called baddie fuck a lame, it left me traumatized (Wow)
You ain't gotta ask me, if it's family, then I'm down to ride (Mmm-hmm)
I just pray that niggas keep it on 'em 'cause I got mine

Ayy, my name good, my face clean, my pockets full, my people straight (Yeah)
Double-

park, they let me through the back, I got my hoes with me (My hoes with me)
Ayy, your MCM be all up in my hair, he wanna join the team (Fuck 'em)
I tell my young dog he won't be like me 'cause he keep drinkin' green (No)
I told my ex-bitch, "You can't get back with me, I'm too far for that" (No)
Dog shit all I'm countin', I'm cashin' it out, boy, who you think started th
at? (Mob)

But keep spinnin' and spinnin', and winnin', these niggas, they sound like a
laundromat (Spin)

Come through black on black, the windshield's black, I've been in my Donda b
ag (Mm-hmm)
