

Fish Tail Fish Scale

Babyface Ray

Fish tail new from the lot
Fish scale price for the watch
Rollie did the ice on the top
Gettin' mine like it or not, took it to trial and got dirty, man, I t

It's still perfect, Ms. Celie color purple
Pyrex off-white, I'm blaming Virgil
Broke nigga holding you back, he doesn't deserve you
I just put like ten in the sky, then I'ma merge 'em
Boy, you know the cases they gave me was damn near murdered
Pulled up, then I'm killing his lot, you know I hurt him
I don't give a fuck if it's raining, I'm still serving
I don't give a fuck who you asked, I'm still serving
Get a old school act, a fool don't wanna do the cruise
Got a couple kids, it ain't shit switching with the move
Faces you okay, but I'm cool limpin' with the two
Shorty, once you get your money up, bitches come in twos
Said she never did this, but she coming through
She want somethin' new, I'm in somethin' new
