End of the Road

Girl you know we belong together I don't have no time for you to be playing with my heart like this You'll be mine forever baby, you just see

We belong together And you know that I'm right Why do you play with my heart Why do you play with my mind Said we'd be forever Said it'd never die How could you love me and leave me and never Say good-bye

When I can't sleep at night without holding you tight Girl, each time I try I just break down and cry Pain in my head oh I'd rather be dead Spinnin' around and around

Although we've come to the end of the road Still I can't let go It's unnatural You belong to me I belong to you Come to the end of the road Still I can't let go It's unnatural You belong to me I belong to you

Girl, I know you really love me You just don't realize You've never been there before It's only your first time Maybe I'll forgive you Maybe you'll try We should be happy together forever You and I

Can you love me again like you loved me before This time I want you to love me much more This time instead just come to my bed And baby just don't let me down

Girl I'm here for you All those times of night when you just hurt me And just ran out with that other fella Baby I knew about it, I just didn't care You just don't understand how much I love you do you? I'm here for you I'm not out to go out and cheat on you all night Just like you did baby but that's all right Hey, I love you anyway And I'm still gonna be here for you 'till my dying day baby Right now, I'm just in so much pain baby Cause you just won't come back to me Will you? just come back to me

Babyface

(lonely)
Yes baby my heart is lonely
(lonely)
My heart hurts baby
(lonely)

Baby please

This time instead just come to my bed And baby just don't let me down
