

I Want You

Babyface

Don't need no conversation
Won't waste my time explaining
You know just how I feel bout you don;t you
Don't need no confirmation
You know what I be thinking
I've always had a thing for you, just for you girl

Girl I've seen beautiful
But not like you before
Can't take this anymore
So if this is the last thing that I do
I will be with you

Cause I want you
I want you
I want you
I want you girl
And all there is of you
Every part of you
I want you and I want you
Oh

There be no mistaking
I'm running out of patience
I'm done anticipating you, I want you girl
Your heart your mind your soul your body under my control

At this point there is nothing I won't do, for you baby
Girl I've done beautiful
But not like yours before
Not waiting anymore
So if this is the last thing that I do
I will be with you

Cause I want you
I want you
I want you
I want you girl
And all there is of you
Every part of you
I want you and I want you
Oh

Now baby did I fail to mention
That I got the best intentions
That I'll be yours until the end of time
I want you
I want you
I want you girl
I want you

Cause I want you
I want you
I want you
I want you girl
And all there is of you
Every part of you

I want you and I want you
Oh

Girl you best believe it
I want you

Cause I want you
I want you
I want you
I want you girl
And all there is of you
Every part of you
I want you and I want you
Oh
